## OUTDOOR COLLECTION

Powder Coated Stainless Steel Cabinetry

DEALER AND MANUFACTURER

About Us

Moya Living is the brainchild of founder and principal Moya O’Neill. After decades spent designing laboratory furniture for Genie Scientific, Moya saw a void in the commercial and residential market for a high-end luxury line of steel cabinetry. After outfitting her own home in Laguna Beach, she soon started securing orders with companies such as Oakley and the iconic Dakota building in New York’s Upper West Side.

Today, female-owned Moya Living enjoys working with architects and contractors across the country on the design and manufacturing of metal cabinetry for the kitchen, outdoor kitchen, bath, hospitality and commercial projects.

Moya Living Outdoor Kitchen Collection

Powder coated stainless steel and marine grade aluminum cabinetry that bring the design sensibility of an indoor kitchen to the great outdoors.

With the ability to integrate nearly any outdoor appliance like bbq grills, smokers, pizza oven and beer taps, we help create amazing outdoor cooking and entertainment spaces.

Select from our array of finishes and hardware to add personal design touches.

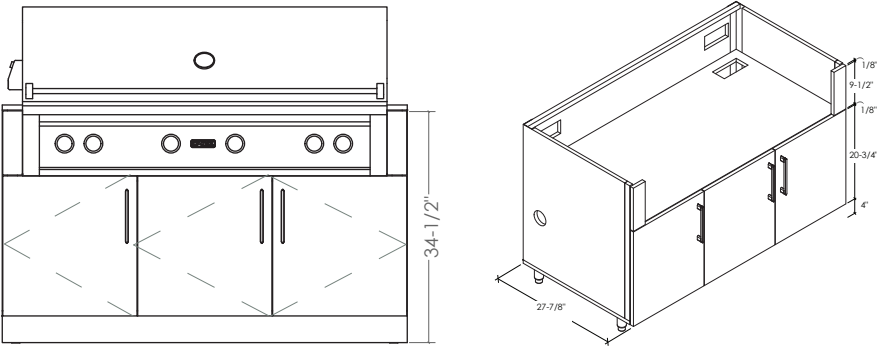

Grill Base Cabinet

Grill and side burner cabinet are used to house your luxury outdoor appliances. As a standard, the grill/burner cabinet should always be specified 6" larger than the appliance. Custom trim kits are factory made for each type of appliance.

- Specify if appliance is natural gas or propane.
- All units come standard with a pull out tray.
- Standard cabinets are 27.875"D including the doors/drawers.
- Custom depths are available upon request.

ICF - Filler

Model #	Width
ICF30.5-2	2"
ICF30.5-3	3"
ICF30.5-4	4"

Used in a corner condition.

FEATURES

- Made of stainless steel - built to last a lifetime
- Powder coat finish
- Handcrafted design & metalwork
- Manufactured in USA
- Detachable door & drawer fronts
- Custom designs available

BENEFITS

- The cabinet is a fully welded stainless steel box
- Color choices, gloss levels, textures, and UV resistance
- Exceptionally durable and easy to clean
- Precision craftsmanship
- Made in Orange County, CA
- Local direct resource at your disposal
- Luxury client experience
- No layers
- Ability to easily change outdoor and drawer fronts
- If you can dream it, we can build it

ELECTRIFYING GRILLING

Moya Living has partnered with Fire Magic designing and developed a new electric plug-in bbq grill with powder-coated stainless steel cabinets.

Outdoor grilling is now possible for homeowners with small spaces and/or fuel restrictions.
